Caterer Mosimann's London has been added to the preferred supplier list at event space Glaziers Hall.

The announcement follows Mosimann's selection as partner and official caterer for the House of Switzerland, which will be located at Glaziers Hall during the 2012 Olympics.

Glaziers Hall managing director Samantha Enstone said: "Having worked closely with Philipp Mosimann and his team on the House of Switzerland project, Glaziers Hall is extremely excited to welcome Mosimann's to its permanent partner list. Mosimann's will add impeccable credentials, provenance and exacting service standards for both our private and corporate clients to indulge."

Mosimann's first appointment as a selected supplier includes catering for the Swiss Guilds banquet, which will take place at Glaziers Hall on 11 November ahead of the 2011 Lord Mayor's Show.
